## Individual Drafted Player Registration - Summer League 2013 (No Team Affiliation)

For many years the Malvern League has been a team league only and we will remain primarily a TEAM LEAGUE. However, every season we get numerous requests from parents of children who want to play in our league but are not affiliated with a team. We refer to these individuals as "Drafted Players". This summer, if we receive a sufficient number of "Drafted Players" in any age group we will create a new "Drafted Team". There is also the possibility of placing "Drafted Players" on an existing team that needs to fill their roster. Please note, however, that there is no guarantee that every player will be placed on a team. Our goal is to try and accommodate every player who wants to participate in the Malvern League and we hope this will help achieve our goal.

If you want to be placed on our "Drafted Players" list, please complete the information below and submit the form with the \$100 fee to the league office by May 15<sup>th</sup>. Parents will be notified of their child's placement on a team by between June 10<sup>th</sup> and June 15<sup>th</sup>. Registration fee checks will be deposited only after the "Drafted Player" is placed on a team and there will be no refunds after the "Drafted Player" is placed on a team. Also, any adult interested in coaching a "Drafted Team" should fill in the information below.
